

**PDA Journal of Pharmaceutical Science and Technology**  
**COPYRIGHT AGREEMENT**

MS #: \_\_\_\_\_

In consideration of the *PDA Journal of Pharmaceutical Science and Technology* taking action in reviewing and editing my submission, the author(s) undersigned hereby grants to PDA, Inc., a non-exclusive license to edit, use, reuse, republish, reproduce, translate or otherwise distribute or disseminate the submission in any form or media (including digital electronic form), whether now known or hereafter devised. In the event that such work is not published in the *PDA Journal of Pharmaceutical Science and Technology*, all said rights shall be released.

I (we) certify that the material has not been published previously, nor was it submitted to another publication. In addition, it does not violate the rights or copyrights of any party. Further, I (we) agree that reprint privileges will reside with the *PDA Journal of Pharmaceutical Science and Technology*, and that PDA, Inc., owns the copyright for such article in any media.

It is also understood that, in the event I (we) desire to reprint this paper after it appears in the *PDA Journal of Pharmaceutical Science and Technology*, we can do so after receiving written permission from PDA, Inc.

**U.S. Government Work**

A submission prepared by a U.S. federal government employee as part of the employee's official duties, or which is an official U.S. Government publication, is called a "U.S. Government work," and is in the public domain in the United States.

In the case of a submission prepared under U.S. Government contract or grant, the U.S. Government may reproduce, without charge, all or portions of the submission and may authorize others to do so, for official U.S. Government purposes only, if the U.S. Government contract or grant so requires.

Please check this box if this work falls under the category of "U.S. Government Work."

Please check this box if you are the Corresponding Author signing on behalf of all authors.
